

## Dear Harbor Crab Family,

This year marks the 21st anniversary of the Harbor Crab, and the 18th Annual Bass Tournament. The beloved tournament grew in popularity just a few years ago when we began awarding scholarships in memory of Paul "Skippy" Ambrose and Jay Nichols – two men that shared a common love for the outdoors and devoted their lives to helping others in their community.

Thanks to the donations of our generous sponsors, we have been able to award a total of \$50,000 across four local high schools in recent years. It is only with the support of these sponsors that we can continue awarding these well-deserved grants, and for that, we are truly grateful. Through these scholarships, we will continue to honor Paul and Jay's admirable work and keep their memory in our hearts forever.

**PLEASE SPREAD THE WORD!  
WE NEED FISHERMEN, BASKETS,  
AND SPONSORS ASAP.  
HELP US KEEP OUR "FAMILY FIRST"  
TOURNAMENT GOING!**

For 18 years, the Generations Bass Tournament has grown and become part of our community. We use any money raised for scholarships at 4 local high schools. Last year, we gave out 10 scholarships totaling more than \$12,000! The recipients are community-minded people with an appreciation for nature, family and have an "attack life with no excuses" mentality similar to our honorees. Both Jay Nichols and Paul Ambrose lived life to the fullest and put family and friends above all else, so take the day and come fish with us!
